## COL. A. B. FRISBIE RESIGNS POSITION

Commander of the Grand Army of the Republic Post in Anacostia Quits.

### NEWS NOTES OF THE SUBURB

Col. A. B. Frisbie, who for the past ten years, has been commander of John A. Logan Post, No. 12, Grand Army of the Republic, of Anacostia, and an active member of the order in the District, has resigned his position in charge of the local post, and his duties hereafter will be undertaken by David C. Fountain, of East Washington. Frisbie, a long-time member of Logan Post, in this connection it has also been announced that the annual inspection of the post will be held on December 17 in Grand Army Hall, in Washington, instead of holding these exercises in Anacostia. For some time members of the local post has been considering the advisability of disbanding and joining ranks with one of the stronger posts in the city, and it is likely that before many more months this step will be taken. The post was organized in 1899 with over 100 members, but to-day there are hardly ten active members remaining. Co-operation with another post, it is believed, would work to advantage to the order at large.

The police of the Eleventh Precinct are making a thorough investigation of the affair which attracted much attention the past week when a stray dog bit two persons in Anacostia and was later shot by Officer Ogil. The dog's head was sent to the Bureau of Animal Industry and a report of the examination disclosed the fact that the dog had rabies. As a result, the two persons bitten have been directed to report to the Hygienic Laboratory for treatment.

The Public Improvement Association of Congress Heights at its meeting, to be held in the Town Hall on next Tuesday evening, will listen to interesting reports from special committees regarding the obtaining of a public library for the suburb and the acquisition of Fort Carroll for a public park. These two matters are of extreme importance to the citizens of that community, as they feel with these two improvements the association will have accomplished what it set out to do by the year 1915. President W. W. Price will conduct the meeting.

### Parents and Teachers Meet.

The first evening meeting of the Parents-Teachers Association of Anacostia is to be held on the evening of December 12 in the parish hall of Emmanuel Episcopal Church, and to the all parents in Anacostia having children in the public schools have been invited to attend. Miss Gertrude A. Phillips is chairman of the committee on arrangements and Dr. W. T. Woodward, Health Officer of the District, is to be the principal speaker.

Anacostia Tent No. 1, Knights of the Macabees, is to hold its annual meeting in the local Masonic Hall to-morrow evening, and at that time the election of officers will be held. Reports of the officers of work done during the past year will also be submitted and work for the next year outlined.

The social season of the Government Hospital for the Insane was opened on Wednesday evening of the past week with a dance for the inmates and employees in Hitchcock Hall. The hospital orchestra, under direction of Joseph R. Caldwell, contributed the music. On Friday evening motion pictures were shown in the same hall, in accordance with the custom inaugurated the past season. These will continue to be shown on each Friday evening, and on each Tuesday evening a dance is to be held.

The marriage of Miss Rachel Joyce, daughter of Mr. and Mrs. William F. Joyce, of Congress Heights, to Mr. Thomas Jefferson Tucker, of the same suburb, took place on Wednesday evening of the past week in the Congress Heights Methodist Episcopal Church. Following the ceremony a reception was held at the home of the bride's parents, Mrs. Morris E. Tucker, pastor of the church, performed the ceremony. Mr. and Mrs. Tucker are now enjoying a wedding trip and upon their return will reside at 1315 Pennsylvania Avenue Northwest.

### To Dedicate Church.

The new Concord Methodist Episcopal Church, near Cabin John, of which Rev. John E. Fort, of Anacostia, is the pastor, will be officially dedicated to-day and Bishop Earl Cranston will preside at the service. Special gatherings are to be held this morning, this afternoon, and to-night. The church was just completed and is of stone. It replaces the old wooden structure which has been used there for a number of years.

The annual visitation of the officers and members of the Grand Chapter Order of the Eastern Star of the District to Electa Chapter, No. 2, of Anacostia, took place on Tuesday evening last in the local Masonic hall. There were fully 500 persons present at that time and an interesting programme was contributed. A feature of the programme was the presentation in three of the visitors of remembrances from Electa chapter. Mrs. Fannie Taylor, grand worthy matron, was presented with a set of painted china by Simon Bube. Charles F. Roberts, grand worthy patron, and a member of Electa chapter, was presented with a set of silver teaspoons by Mrs. Edna Rachenstein, and Mrs. Emma Teachum, grand lecturer, was presented with an embroidered centerpiece.

Final plans are being made for the celebration to take place at the Handle Highlands School on Saturday next, when this building is to be officially dedicated by the citizens of that suburb and officials of the District government. Dr. B. T. Woodward, chairman of the committee on arrangements, stated yesterday that a number of prominent speakers had signified their intention of being present. The ladies of the community are making arrangements to serve refreshments.

The drills of the men of the Eleventh police precinct are to be resumed this week under direction of Capt. W. T. Anderson. They will be continued for a number of months.

**Plans for Reorganization.**  
David W. Mulvane, of Kansas, who was in charge of the Western office of the Republican national committee with headquarters in Chicago during the recent campaign, called at the White House to discuss with President Taft plans for reorganizing the Republican party. Mr. Mulvane is in favor of establishing an office of the Republican national committee in this city with a publicity bureau to disseminate Republican literature in preparation for the Congressional elections two years hence, and the next national election.

## GEORGETOWN ISSUES "OLD GRADS" BOOK

University Catalogue Showing the Progress of Its Graduates Makes Appearance.

A galaxy of "old grads," many of whom have won national and international regard—among them statesmen, public servants, scientists, and leading representatives of "big business"—is contained in the 1912 issue of the Alumni Directory of Georgetown University, which is reviewed every three years. This directory, long issued by the university, is the triennial convention of classmates, through which the envy extraordinary and minister plenipotentiary to Denmark keeps track of the "boys" of '93, through which the many sons of the alma mater follow the careers of former classmates, and keep in touch with jolly comrades of other days. Many are found upon the rolls. One of Georgetown's sons holds the highest legal position in the gift of his country, Dr. Edward Douglas White, Chief Justice of the United States Supreme Court. Jealousy guarding the honors won by her sons, the university revises the directory every three years, seeks information of each progress made in life by each old "grad," and adds one by one in the directory the titles he has earned.

Every State in the Union is well represented, and names of many who are working in foreign lands appear upon the list. The directory is a great convention of former classmates, where the "boys" meet with long titles after their names, jolly good fellows, one and all, and in the atmosphere of the alma mater, still comrades of '93, of whatever the class might be, where, with Oliver Wendell Holmes, they feel that their titles are but things of play, and the sincere friendship and camaraderie of student days the reality.

### Officer Fortelle Pay.

First Lieut. Thomas W. Gunn, U. S. A., retired, will forfeit six months of his present pay as a retired officer as a result of his conviction by a court martial at Fort Snelling, Minn., on charges of conduct to the prejudice of good order and discipline, resulting from improper transfer of his pay account. Lieut. Gunn came into the army as a private, was sentenced to dismissal, but President Taft commuted the sentence to forfeiture of pay for six months.

### Fireman Reported Killed.

The death of Theodore C. Malahan, of Newark, N. J., a fireman on the U. S. S. South Dakota, was reported to the Navy Department yesterday. Malahan was killed at the Mare Island Navy Yard by a battle hatch falling upon him.

### Woman Gets Twenty-year Sentence.

The longest sentence imposed by Justice Stafford, in Criminal Court, No. 1, during the session yesterday, when sentences aggregating 100 years were given, was twenty years for Louisa Powell, colored, convicted of second-degree murder. Roscoe Middleton was given ten years on each of two charges of robbery and Robert Turner and Samuel Hamilton were each give fifteen years for purse snatching.
